Note:

Majority of Members' Indemnity and expenses appear low. This is due to their being switched from a lump-sum annual payment to quarterly, monthly or bi-weekly payments. The $9,890.00 amount reflects only one quarterly payment which fell within the 1987-88 fiscal year.

For fiscal 1988-89 a full year's indemnity and expense allowance will be reflected.

1989

The Public Accounts of the Province of Nova Scotia reflect expenditures on an accrual basis. In this publication payments are reflected on a cash basis. Accounts Payable and Inventory Adjustments are indicated to reconcile cash payments with accrued charges to Appropriations.

Transfer to (or from) other Accounts indicates that a portion of the payments have been charged to other departments.

Accumulative payments to individuals and suppliers within the fiscal year are reported as follows: Salaries — $25,000 and over; Travel — $3,500 and over; and all other payments — $5,000 and over.
